**Re. Y10 Personal Finance**

Dear Parent / Carer,

Abertillery Learning Community continually strives to ensure that provision meets the needs of all learners. It is therefore with great pleasure that I am writing to you with regards to Y10 studying Personal Finance next week.

Knowledge in elements of finance such as bank accounts, loans, exchange rates, budgeting, careers and so on is essential. Next week's course comprehensively covers a range of topics to ensure that learners have a secure understanding of finance.

The Personal Finance qualification is a fantastic opportunity for Y10 learners to achieve a full equivalent GCSE. Current Y11 learners completed the qualification with extremely positive results this last year.

**You child's attendance to school next week is crucial for the successful completion of the Personal Finance course.**

Yours Faithfully,

Rhodri Thomas

Head of Secondary Campus
