

1<sup>st</sup> March 2017

Dear Parent/Carer,

We are fast approaching the time for Year 9 learners to decide which GCSE qualifications they wish to pursue over the course of Years 10 and 11, and to support our learners with this important decision, we will be hosting an Options Evening on Wednesday 15<sup>th</sup> March 2017 at 6pm.

During this evening, learners will be provided with information to help them make informed decisions about the best options for them. We have also prepared some information for learners to take away from the evening, containing key information about all the courses we offer. Staff from all departments will be available throughout the evening to answer any questions you or your child may have.

We hope that you will be able to attend this event, and look forward to supporting you and your child to secure the best pathway for a successful future.

Yours sincerely,

M. White
