Statutory Testing in Wales 2018: Years 2-9

Dear Parent / Guardian

As you may already be aware, National Reading and Numeracy Tests are to be taken again this year by all children in Years 2-9 in Wales. This means that **all learners in Years 7-9 in the Secondary Campus** will sit the National Tests during the summer term, so your child's attendance is vitally important.

The National Reading Test requires learners to have 20 minutes preparation with the teacher before sitting the 60 minute test. The National Numeracy Tests consist of two 30 minute papers; a reasoning test and a procedural test. Each of these Numeracy Tests will require learners to have 10-15 minutes preparation with the teacher beforehand.

If you have any queries regarding the National Numeracy and Reading Tests, please do not hesitate to contact the Secondary Campus, where the Literacy and Numeracy Coordinators will be happy to help you.

Yours Faithfully

Mr R. Thomas
